

Declaration of conformity to RoHS-Directive 2011/65/EU (incl. amendment 2015/863/EU)

Name and address of supplier	Strawa Wärmetechnik GmbH Gottlieb-Daimler-Straße 99869 Schwabhausen
vendor number	693650

Limit concentrations of hazardous substances acc. Directive 2011/65/EU (RoHS-Directive):

Pb	7439-92-1	0,1%	PBDE	0,1%
Hg	7439-97-6	0,1%	DEHP	0,1%
Cd	7440-43-9	0,01%	BBP	0,1%
CrVI	1333-82-0	0,1%	DBP	0,1%
PBB		0,1%	DIBP	0,1%

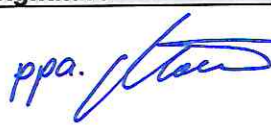

All limits refer to the concentration of the dangerous substance in the "homogeneous material".

Number of article	Name of article	Statement on RoHS-conformity (mark with a cross)			INFO
		Limits are adhered by all materials	Limit value is exceeded. It is covered by exception. [1]	Limit value is exceeded. <u>Not</u> covered by exception	
8000030595	Vaillant Hybrid Kit, CH and DHW		6c Annex III RoHS Directive		Lead
8000030699	Vaillant Hybrid Kit, CH and DHW, SDBG		6c Annex III RoHS Directive		Lead
8000030712	Vaillant Hybrid Kit, CH only-kitchen solution	x			no electronics
8000030896	Vaillant Hybrid Kit, CH only-kitchen solution, SDBG	x			no electronics
8000030711	Vaillant Hybrid Kit- CH only simple	x			no electronics

[1] Exception reference and the name of the component concerned must be noted in the field INFO.

The Vaillant Goup part numbers are filled in by the supplier. For each Vaillant Group Part number a statement regarding RoHS compliance is required.

The undersigned agrees to the Vaillant Group to inform immediately if this declaration loses its validity, especially due to a change of legislation.
